

# TIMEOUT!

## Albany High School Appropriate Dress

1. Clothing should be neat, clean and appropriate with shoes worn at all times. Common sense and reasonable judgment should eliminate the need to correct students in the area of dress and personal appearance.
2. Shorts may be worn, but shorts and skirts that are too short, frayed, torn, or too tight are not acceptable. Clothing must not have holes that would attract attention and/or cause a distraction to the educational process, as determined by school personnel. Clothing that is disruptive or causes a distraction while at school or school function may not be permitted.
3. Markings or insignia on clothing or the body, or items of clothing must not be obscene, suggestive, show gang affiliation, inappropriate language or advocate disruptive behavior.
4. Clothing must not advertise or promote alcohol, tobacco or drugs. It must also not incite violence.
5. Tops worn by boys or girls must not be revealing as judged by school personnel. Underwear may not show. Bare midriff should not be exposed.
6. Albany High School reserves the right to allow or disallow certain apparel and accessories. If a student is asked to remove a hat or other head-gear by any school personnel or guest teacher, the request must be honored promptly with no discussion.
